

Homecoming Pack #1

by Randall Standridge

This product is intended to be used by directors who do not wish to spend all of their time trying to organize a homecoming performance. The four pieces included in this pack are ideal for this purpose; they all use limited range for extra duration, they are easy rhythmically and melodically, and they have built in repeats, so you can play the pieces for as long or as short as you like. These pieces can easily be worked up in less than one rehearsal.

I hope you find this product useful for your marching season. If you're like me, I know you all the help reducing your workload and stress that you can get. If this product helps, then it has served its purpose.
